GENERAL CONDITIONS GOVERNING PLAY

FOURSOMES (including Mixed)

Players play alternately from teeing ground and alternate shots on remainder of each hole. Penalties do not affect the playing of alternate shots. Where more than one 18 hole round is played, the player teeing off the odd numbered tees must tee off the even numbered tees in the second round and vice-versa.

AMERICAN FOURSOMES (Including Mixed)

Both players play tee shots at each hole, then play a second stroke with their partners ball. One ball is then selected and play proceeds as in foursomes, so that if Player B hit the second shot with the selected ball, Player A hits the next shot and play alternates until the hole is completed.

CANADIAN FOURSOMES – Stroke Net

The event is played as per a foursomes event except both players play tee shots at every hole and afterwards continue with whichever ball they nominate, with the partner playing the second shot.

AMBROSE EVENTS

The Rules of Golf, as published by the R&A, and the Local Rules of the Bargara Golf Club shall govern the competition, except for the following Procedure:

Each member of the team may hit a tee shot at every hole. The team then selects one of the tee shots from which to play. All members of the team may then hit from that position. This procedure is repeated for each shot until the ball is holed.

Tee Shots: Unless an alteration is officially notified before tee off time, each member's tee shot must be used at least three times per eighteen hole round. The scorer must record on the scorecard which player's tee shot was used at each hole immediately on completion of that hole.

Selected Shot: The position of the selected shot shall be marked. Each team member may then place their ball within one club length of the marked position, no nearer the hole and play from that position. The owner of the selected shot may also place the ball within one club length of that position after marking. If the selected shot is on the fairway, the fringe of the green or in a water hazard, bunker or rough (intermediate or regular) all balls must be placed within one club length of the selected shot, no nearer the hole, and must remain in the same afore-mentioned condition as the selected shot. In a sand bunker, the sand may be raked smooth prior to any ball being dropped.

Putting Green: The position of the selected ball is marked. Other team members may then place their ball within one putter head length of the marker, no nearer the hole and play from that position. Once a ball is holed, all play on that hole is finished.

Standing behind Player: Team members may stand behind the player making a stroke.

Scorecard: The scorecard must show each team member's handicap. The card must be signed by the marker and countersigned by one other team member.

Handicaps: Refer to note 6 above.

IRISH 4 BALL - GROUP BEST BALL SPLIT 6 - Stableford, Scratch Stableford

Each player plays a single Stableford and scoring will be calculated at time of scanning. This is a Stableford competition for 3 or 4 player teams. For holes 1-6, only the best individual score for each hole counts. For holes 7-12 the best 2 individual scores are added together to make a team score. For holes 13-18 the best 3 individual scores are added together to make a team score

AMERICAN STABLEFORD

A player records 4 points if a birdie is scored on a hole; 3 points for par; 2 points for bogey; 1 point for double bogey. Points over the 18 holes are totalled, then the player's daily handicap is added to that total. E.G Total points 42 Handicap 10, score=52. Winner is player with most points

NEAREST THE PIN COMPETITIONS

These competitions are run in conjunction with most club competitions and are paid for in the nomination fee. ELIGIBILITY FOR VETERAN'S CLUB CHAMPIONSHIPS

The competitor must be a full member of the Bargara Golf Club and the competitor must be member of the Bargara Veteran's Golf Club.

ELIGIBILITY TO COMPETE IN NOMINATED BARGARA VETERAN'S "OPEN DAYS "

Competitors must be a member of a registered Golf Club; a Veterans group associated with a State or District body and hold a current AGU handicap. Proof of membership and handicap must be produced at registration.

Competitors in Open Days are eligible to participate in all trophy allocations, pin and approach shots and ball run down etc.

BARGARA VETERAN'S CLUB DAYS

CLOSED CLUB EVENTS as indicated in the fixture book (such as Monthly Medals) are only able to be won by players who are full members of the Bargara Golf Club and the Bargara Veteran's Golf Club.

Other veterans, visitors, and temporary members are welcome to play; however, such players are only eligible to participate in pin and approach shots and ball run down including runner up prizes. Exceptional scores may be rewarded at the discretion of the Match Committee.

The committee reserves the right to change the listed events in the fixture book.

In general terms, the Vet's events will be run with men and ladies competing separately and the number of players will determine the number of handicap divisions and ball run down.
