THE CAPTAIN'S TABLE

The 2023 WBDVGA Spring Carnival was again well supported with 208 players on the Thursday and 192 players on the Friday. The majority of players came from South -East Queensland and New South Wales. The course presentation received many favourable comments so thanks to our ground staff ably led by Rod and the team of volunteers.

Many thanks to the match committee and the volunteers during the two days.

The Bargara Vets Association makes a significant contribution to the social and sporting activities of the Bargara Golf Club and contributes financially to course improvements. The committee, which is elected each year has a considerable workload, to manage the association activities which not only includes the weekly Tuesday competitions, but also interclub competitions, district

open days, March Classic, WBDVGA Spring Carnival and the end of year Presentation Dinner.

The Vets AGM is scheduled for Tuesday 24th October and committee nomination forms are now available. Our President Babs is not standing again, hence the positions of President, Secretary and VOV publisher need to be filled and there are three vacant committee positions also. The committee meets on a monthly basis and meeting duration is normally one hour.

I urge anyone who has an interest in contributing to the success of our viable Vets Club to complete the nomination form, bring some new ideas to the table and "make a difference."

Regards

Don McKewen Vets Captain.

Just for Laughs

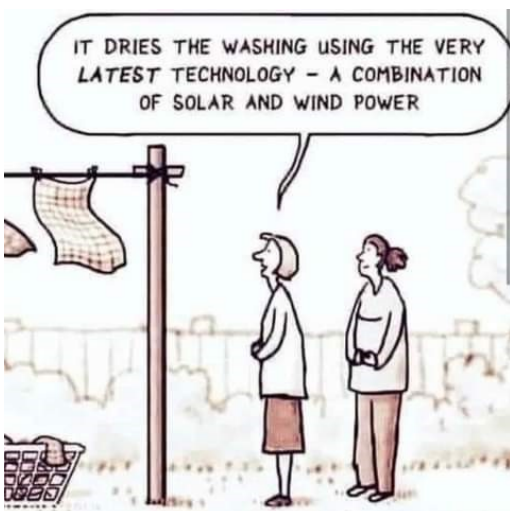

ACCORDING TO MY HEIGHT TO WEIGHT RATIO, I SHOULD BE 9 FEET 3 INCHES. SO MY WEIGHT IS OK, ITS MY HEIGHT THAT IS THE PROBLEM

CONGRATULATIONS TO MY WIFE WHO REACHED ANOTHER CULINARY MILESTONE TODAY BY SETTING OFF THE NEIGHBOURS SMOKE ALARM

My wife just stopped and said, "You weren't even listening were you."

I thought "that's a pretty weird way to start a conversation."

WHAT DO WE LEARN FROM HIPPOPOTAMUSES?

THAT IT IS IMPOSSIBLE TO REDUCE WEIGHT BY EATING GREEN GRASS AND SALADS AND WALKING

TEXTING IS

A brilliant way to **miscommunicate** how you feel, and **misinterpret** what other people mean

A young man and his date were parked on a back road some distance from town.

They were about to have sex when the girl stopped him.

"I really should have mentioned this earlier, but I'm actually a hooker and I charge \$20 for sex."

The man reluctantly paid and they did their thing.

After a cigarette, the man just sat in the driver's seat looking out the window.

"Why aren't we going anywhere?" asked the girl.

"Well, I should have mentioned this before, but I'm actually a taxi driver, and my fare back to town is \$25....."
