Major Developments at BARGARA GOLF CLUB

Bargara Golf Club has unveiled ambitious new plans for two major developments which are destined to transform both the club and the wider Bargara Beach area.

The first project will see the construction of a 5-level residential complex of 48 Seniors Living apartments overlooking the course and the ocean, along with a new tropical-style Members' Clubhouse and buggy-shed complex, all on a 7,000m2 site at the northern tip of the course.

Completion of this project will then pave the way for the proposed major redevelopment of the club's licensed club facility on a superb beachfront site opposite, at 120 Miller Street.

Everyone at the club is excited by the plans, which will leave a lasting legacy to the next generation of discerning golfers who are proud to call Bargara Golf Club their home club, together with an asset which can be enjoyed by the whole of the community.

These "centenary" projects are transformative, and their completion should see the club emerge even stronger, financially secure for the long-term and with magnificent new facilities that will make it an even more desirable place to belong to and to spend time at.

The 48, two- and three-bedroom Seniors Living apartments will be developed in two boutique buildings of 24 apartments each, separated by a landscaped recreational and pool deck. Most of the apartments will have expansive ocean and golf course views, with undercover parking at ground level.

Residents will have direct access to the golf course and enjoy club membership privileges. They will be living literally “on the golf course” with all of the club’s leisure and hospitality facilities easily accessible on foot or by a short buggy ride (via the existing buggy underpass).

The second project provides for the club’s existing licensed club site to be redeveloped with a contemporary 6-level mixed-use facility combining extensive new hospitality and function facilities and with 100 rooms of resort-style, short-stay accommodation above.

These facilities will provide a new generation of short-stay accommodation for Bargara, critical to the expansion of the region’s tourism market.

The accommodation complex – “Club Bargara Resort” – will feature its own Wellness Centre and a spacious Recreation Deck on level three, with a stunning glass-ended pool overlooking the golf course opposite.

The combined construction cost of the two developments is estimated to be considerably in excess of \$100 million, providing major economic benefit for the region. It is hoped construction will be completed sometime in 2027.

How to JOIN

The best way to enjoy all that Bargara Golf Club has to offer is by becoming a member.

Membership is affordable and available and carries with it a number of benefits, not least of which is access to priority tee-times and the opportunity to play golf whenever you choose within your membership category.

Golfing members enjoy a beautifully maintained, picturesque 18-hole layout and excellent clubhouse facilities to match. Have no fears if you are thinking of becoming a member but are unsure whether to take the plunge because you don't know anyone at the club. New members are actively encouraged to participate in all club competitions and activities and are instantly made to feel a part of the club.

Members can chart their continual improvement by gaining a Golf Australia handicap, recognised at golf clubs worldwide, and make their bookings either in person in the Pro Shop, by phone, or online through the MiClub booking system, which also allows them to track their handicap and see competition results.

The MiClub app, MiScore, is available for free for members to improve their playing experience yet further. The app is available to download for Apple and Android mobile phones and features automated score tally, distance to pin, scorecard, touch screen signature and the chance to check the current leaderboard and stats so you know how you're doing against your peers while out on the course!

If still undecided, why not pop down to the club as a visitor, book a round of golf and enjoy a drink in the clubhouse and see if Bargara Golf Club is the club for you. Warning: it's very likely you will find the great atmosphere hard to resist, as many have before you!

The clubhouse experience is as enjoyable as the golf and there's plenty of friendly banter over a drink after most competitions. Whether or not there are social events on the calendar, Bargara is a very friendly club with a real family feel and a great place to socialise.

Friday night is the traditional club night, where members gather to enjoy a meal and a drink and wind down ahead of the weekend. There are members' draws featuring attractive cash prizes for the lucky recipients, should they be present, together with raffles and giveaways.

Special GOLF EVENTS

Bargara Golf Club is proud to host the Bargara Legends Pro-Am, one of the annual events on the PGA Legends Tour.

Played over two days, the Bargara Legends Pro-Am is certainly an event not to be missed for golf lovers. It allows spectators to get close to some of the best Australian golfers ever to have swung a club and the opportunity to see some very good golf.

The Bargara Legends Pro-Am is a wonderful experience for all concerned. The professionals battle it out over 36 holes of strokeplay for a generous cash prize, while at the same time offering encouragement and advice to their amateur partners, who have the chance to win some terrific prizes themselves.

There are also some great opportunities for potential sponsors looking to raise awareness of their brand and support this popular event.

The club hosts other popular open competitions, including the Bargara Ladies Classic, one of the most popular golfing events in Queensland, which attracts more than 250 players from all over Queensland and Australia.

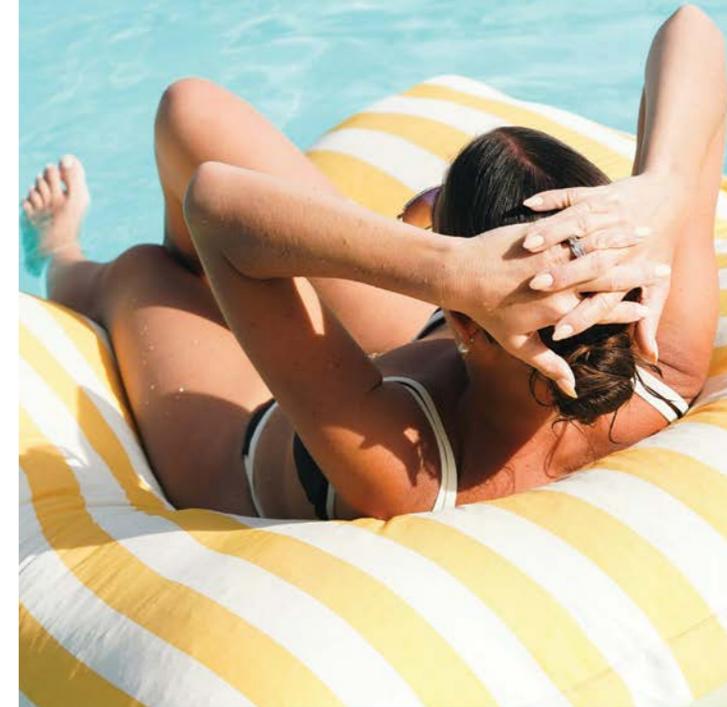

The club website, www.bargaragolfclub.com.au, always carries details of upcoming events and how to get involved.

Our JUNIORS

Bargara Golf Club is proud of the part it is playing in introducing the next generation of players to the game of golf. The club offers girls and boys of all ages the chance to experience golf in a fun, safe, social environment.

The mission of Bargara Junior Golf Club is to enhance the enjoyment, knowledge, and appreciation of the game of golf for every junior involved. This is accomplished with the help of parents, volunteers and the Club Professional who are on hand to help every junior with his or her individual needs.

Coaching consists of teaching all the necessary basics including grip, stance, ball position, posture and alignment and covers both the short game and long game, so that juniors are supplied with the required skills to take to the golf course. Equipment can be provided.

Bargara Junior Golf promotes a spirit of friendly competition and relies on total honesty and courtesy. Overall, golf is an activity in which young players develop positive values to take into adulthood while learning a skill for life.

Bargara is a supporter of MyGolf, Australia's national junior introductory program to develop and promote participation in golf.

The MyGolf program is aimed at a fun, accessible and satisfying introduction to the game by promoting skills development in an accredited coaching environment while promoting the social and fun aspects of the sport.

The MyGolf program at Bargara is five sessions usually held on successive Saturday mornings. On the last Saturday the children are taken out onto the course to play an Ambrose event and familiarise them more with the rules, safety and etiquette of golf play and give them a taste of what it would be like to continue with their new golf skills at the club.

Group sizes are limited to a maximum of eight children for each five-week program to give each child quality time with the Club Professional in an optimum environment to nurture their introduction to the skills of golf.

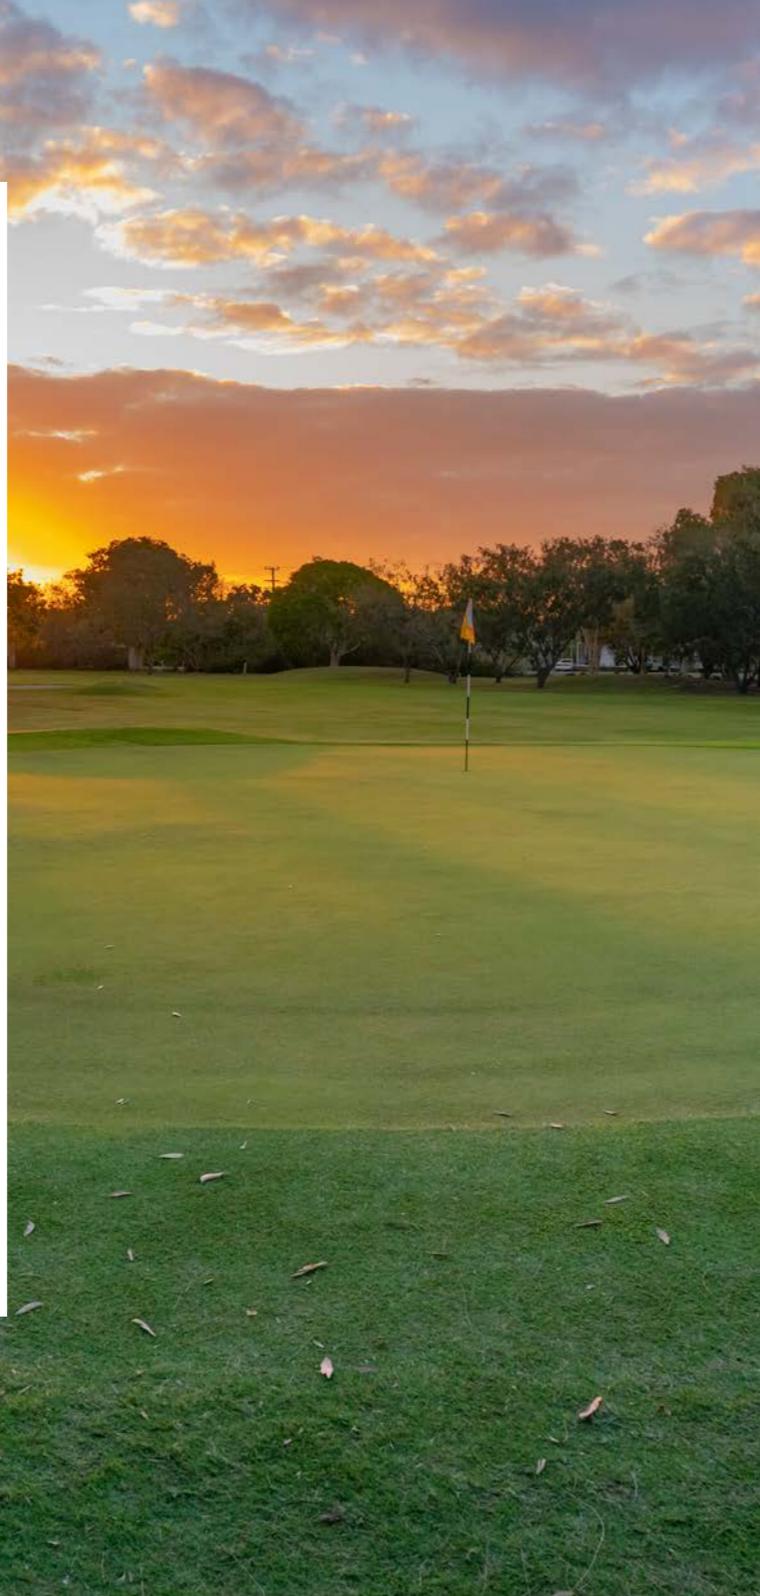

Junior competitions are held on Sunday mornings. Those juniors with official golf handicaps play 18 holes, others play 13 or nine holes from the normal tees and the more inexperienced youngsters enjoy either nine, six or three holes from a modified hole set-up from 150 metres.

New juniors are appraised and placed in divisions they feel comfortable in. The season ends with a Junior Breakup Breakfast at The Basin and a trophy presentation.

Bargara has some very talented junior players, some of whom represent the club in pennant competition. They are also encouraged to play in competitions at other clubs locally and, should they wish, elsewhere across the state.

The club has always been a champion of junior golf, hosting the successful Bargara Junior Classic for many years and, in recent years, the Queensland State Junior championships.

If you would like to enrol your son or daughter in the MyGolf program at Bargara Golf Club please contact Club Professional Shaun Piper by calling the Pro Shop on (07) 4159 2257.

A popular choice for a wonderful weekend getaway or longer stays, the area is well-known for its selection of great beaches, attractive parks and gardens, restaurants, cafés, boutiques and many visitor attractions.

Golf Days

SPONSORSHIP & OTHER CORPORATE OPPORTUNITIES

Bargara Golf Club's approach to business is refreshingly progressive, flexible and accommodating and corporate clients will find the club to be an excellent and valued business partner.

This is not a one-way relationship but a mutually beneficial partnership and corporate supporters are never taken for granted.

Bargara Golf Club has everything a corporate client could need: access to a wonderful golf course, a spacious clubhouse in which to entertain guests or to host that meeting, corporate seminar or staff get-together and many sponsorship opportunities. It is also a fantastic venue for corporate and charity golf days.

Close to the centre of town, Bargara Golf Club provides an ideal opportunity to combine a love of golf and business in a relaxed atmosphere and create a truly memorable event for all concerned.

What sets golf days at Bargara apart is the attention to detail by the team here. Friendly, flexible and always happy to help, they are here to assist you with every aspect of your golf day and to ensure that your event runs smoothly and successfully.

Don't worry if you have never hosted a golf day before, experienced staff can advise on the appropriate game and handicapping procedures and take care of as many of the logistics as required, leaving golf day hosts to concentrate on their invited guests and achieving their aims for the event.

If a little friendly competition is the order of the day, nearest the pin and longest drive markers can be supplied and the Pro Shop has a range of items that make great prizes. When the golf is over, relive the day over a drink and food of your choice in the clubhouse. Come to us with your food and beverage requirements and we will do our very best to accommodate.

Remember, too, the clubhouse makes a great venue for a meeting or conference, with a range of AV equipment available, on-site bar and catering facilities.

For those looking to raise awareness of their brand on an ongoing basis, there are numerous sponsorship opportunities, ranging from the club's prestigious annual open competitions and the Bargara Legends Pro-Am, to individual holes or weekly competitions or Honour Board events for members. Advertising opportunities in-house include on scorecards, on golf carts, around the course, in club publications or on digital platforms.

Corporate Membership is also available. Packages can be tailored to meet the specific requirements of your business and can include individual memberships, corporate days, sponsorship opportunities and advertising.

Bargara Golf Club is fortunate to have a fantastic group of local businesses which provide valuable support by way of sponsorship. Many of the club's sponsors are family-owned firms living and working in the local community and their support of the golf club is appreciated by the members, who in turn look to patronise their local businesses wherever possible.
